Online and Telephone Payment Processing for High Risk Merchants

Check22 is the new way for High Risk Merchants to process payments for goods and services, in Real-Time, 24x7x365, whether in person, online, or by phone.

Avoid the hassle and risk associated with credit card processing! Our Merchants can receive payments within five minutes, from any customer who has a valid checking account at any bank in the U.S.

Here's a very quick overview:

- Activate your Merchant's Processing Account in just 15 minutes:
- Your merchants will receive their payments within 5 minutes.
- Save on processing fees.
- Merchants Get Paid for the full amount billed: our low processing fees are billed separately.
- Process payments one at the time or in a "Batch Process" of up to thousands of payments at a time.
- Reduce the Chargeback and Dispute periods from 6 months to 40 days.
- NO reserves required.
